Subject: [EXTERNAL] Peterson Ranch Mitigation Bank - CDFW Comments

Everyone,

Attached are three files containing my initial comments on the Peterson Ranch Mitigation Bank BEI documents. One file has my "track changes" on the BEI, another has my "track changes" on the Conservation Easement Deed, and the third document has my comments on all of the BEI Exhibits. Give me a call if you have questions.

Shannon, would you please distribute my comments to other members of the IRT? Thanks.

Enjoy.

Dave
